Abstract this abstract provides instructions on the format to be used when submitting the initial abstract to the International Conference on Chemical, Bio & Environmental Engineering at Dr B R Ambedkar National Institute of Technology Jalandhar. The abstract should consist of: the objective, problem statement, approach, results, and conclusions. The Abstract should be in Microsoft word format , inside the frame of A4 page . The abstract should be 300 words or less. It should be Times Roman 12 point and single space and fully justified text. The title should be 18 point, appear at the top, centered, and in bold. The authors' names should be 12 point, appear below the title, centered. Each author's name should appear as a first name, middle initial (if applicable), and last name. A superscript numeral should designate the author's organization. For each separate organization, the superscript numeral should appear followed by the address. Next, contact email address should be given for the author serving as primary contact. The e-mail address should be double checked since it will be used as the primary means of contacting the authors. The conference committee reserve the right to edit this abstract for grammar and format since it may be used in the preliminary and final programs.

Keywords : At most 5 keywords, separated by commas. (12 - point Time New Roman)
